- Results or Impacts

Upon receipt of your potential product vulnerability submission, HUA YUE MEDICAL TECHNOLOGY CO., LTD. will:

- Evaluate and verify the results of the report
- Contact you for more information, if required
- Take appropriate action

DISCLAIMER

When conducting cybersecurity research, please avoid behaviors that may cause harm to patients or products. Please be aware that vulnerability testing may have a negative impact on the product. Therefore, products should not be tested in a clinical setting, nor should security-tested products subsequently be used in a clinical setting. If you have any questions, please contact HUA YUE MEDICAL TECHNOLOGY CO., LTD.

HUA YUE MEDICAL TECHNOLOGY CO., LTD. reserves the right to modify its Collaborative Vulnerability Disclosure Program at any time without notice and to make exceptions on a case-by-case basis. No specific level of response commitment is guaranteed. If a vulnerability is verified, we will attribute identifying attributes to the reporting person if required.

Note :

- 1. **Potential Exposure of Proprietary Information:** No sensitive information may be included in any document submitted to HUA YUE MEDICAL TECHNOLOGY CO., LTD. This includes, but is not limited to, sample information, PHI, PII, etc. Please comply with all applicable laws and regulations during your testing activities.*
- 2. **Sharing Information:** By sharing any information with HUA YUE MEDICAL TECHNOLOGY CO., LTD., you agree that the information you submit will be treated as non-proprietary and non-confidential. You allow HUA YUE MEDICAL TECHNOLOGY CO., LTD. to use such information in any manner, in whole or in part, without restriction.*
